## **GOLF INDUSTRY GUIDELINES TO CORONAVIRUS (COVID-19).**

The current restrictions do not prevent golf competitions or casual games taking place, but all golfers should follow some simple steps to maintain the low risk of infection.

- Buggy Users must wipe down all Keys, Blocks and all hand held surfaces with Bacterial Wipes provided before and after buggy use
- Social distancing (2 metre rule) on tee grounds, greens and throughout the round.
- Always leave the flag in the hole, there is no need touch the flag
- Pick only your own ball up
- Rakes will be removed from bunkers and bunkers will become GUR
- The airline for cleaning shoes will closed
- Do not share any equipment, such as clubs or rangefinders.
- Don't shake hands after your game
- **After your game make sure you wash your hands for at least 20 seconds in hot soapy water.**
- Greater space between seating in the clubhouse has been made.

By following these sensible set of guidelines we can continue to enjoy the sport in the months to come.
