

Welsh golf clubs to shut due to COVID-19 crisis  
March 24, 2020.

Following the Prime Minister's statement, it is clear that golf clubs, courses & facilities must close with immediate effect.

While golf is a sport with many health benefits, keeping golf courses open is no longer compatible with Government policy which is designed to save lives in a time of national emergency.

This action is vital and we must stay home in order to contain the spread of COVID-19 and relieve pressure on the National Health Service.

"These are incredibly testing times for the country and the golf industry but, during this unprecedented period, we will be working very closely with all affiliated clubs," said Wales Golf chief executive Richard Dixon.

"Wales Golf Staff will be working remotely to support and advise clubs as much as possible."

The Chairman of St Deiniol Bangor Golf Club asks that all members adhere to this advice and keep away from the golf club until the situation improves. Officials at the club are ensuring that all club business continues and any further information will be forthcoming in the future when there is anything to report. Please be patient, stay at home and stay safe.

Mae Cadeirydd Clwb Golff Deiniol Sant Bangor yn gofyn yn garedig i bob aelod wrando ar y cyngor yma a chadw i ffwrdd o'r cwrs a'r clwb nes fydd y sefyllfa yn gwella. Mae swyddogion y clwb yn sicrhau fod busnes y clwb yn parhau ac am ryddhau unrhyw wybodaeth newydd pan fydd rhywbeth i'w gyhoeddi. Byddwch yn amyneddgar, arhoswch gartref a chadwch yn saff.

Stay safe. Nick.
